

# HASSLE-FREE OWNERSHIP AND MAINTENANCE FOR MAXIMUM UPTIME.

## A CUSTOMER VALUE AGREEMENT (CVA) SAVES YOU TIME, RESOURCES AND MONEY.

Customer Value Agreements come in all shapes and sizes—from basic maintenance agreements to turnkey Maintenance & Repair Contracts and everything in between. We can help you be more effective by taking on some of the equipment management load. CVAs can also help you manage expenses by reducing or eliminating the need for in-house service staff or facilities.

### 01 THE PARTS YOU NEED

» NMC CAT CVA PM Kit(s) with Genuine Cat® Parts come standard with every agreement

### 02 THE PARTS YOU NEED

» NMC Cat is here to help with service reminders and expert insights on your equipment and parts.  
» Experience planned maintenance on your terms: you can do it yourself, get a little help or have NMC Cat do all the work.

### 03 THERE'S AN APP FOR THAT

» Cat Central & Vision Link give you real-time access to equipment data with 24/7 asset monitoring and machine information to help you optimize your operation.  
» Use the Cat Inspect app to easily download inspection forms, complete inspections and share results.

### 04 WE MAKE IT EASY

» One fixed payment keeps your planned maintenance costs predictable and stress free.  
» CVAs are eligible to be included as part of your monthly machine payment on new equipment.
