

CAT® UPGRADE KITS

Want new features on your old Cat machine?
Upgrade Kits make it easy.

Each kit includes all the Cat parts and products you need to add updated features to your older Cat machine.

We offer a huge variety of kits to upgrade the comfort, safety, technology and performance of the machine you know and love.

SAFETY

We know that safety is one of your top priorities. So we make it easy to upgrade your existing Cat machines with the latest safety features. Cat Safety Upgrade Kits include two of our leading safety technologies - the Cat Seat Belt Reminder System and Cat Camera Systems. They are a safe investment that delivers big returns for your operation: Fewer accidents. Less downtime. Lower costs. Confident, productive operators.
